PRINCIPAL CHARACTERISTICS

The NEX N39 RIB Jet Tender is designed to provide a comfortable, safe, and fast ride, with the versatility to be used for water sports as well. Utilizing a hull design and styling developed by a highly reputed team of naval architects and designers, this 3.9m tender maximizes functionality and style in a compact package. With seating capacity for six guests and one skipper, it offers ample boarding volume. The tender features two boarding entrances: one through the stern platform and another via three steps positioned on the tubes. Its distinct helm console adds a unique look and a modern character to the vessel. The tender also includes two storage compartments, ensuring practicality alongside elegance.
